Would appreciate it if only luxuries that we have here are occasionally
a chance give Marshall Field. Was glad to hear that
about every day yesterday
it was quite chilly with our
two blankets during the night.

worth it as we get no candy

Dear Folks:

Received your most welcome letter dated Sept. 4 today & was very glad to hear from you. I feeling fine & haven’t stopped any german shells yet.

The weather here is about the same as before only a little cooler, that is, rain
about every other day. Yesterday we had a heavy white frost & it was quite chilly with our two blankets during the night.

Say Folks when you get a chance give Marshall Fields Chicago, an order for [tear]me candy to be delivered from their Paris branch store to me. It will take quite a bit of time to get to me & will be rather expensive but it will be well worth it as we get no candy at all over here & I surely
would appreciate it. The only luxuries that we have over here are occasionally biscuits from the Y.M.C.A. & even they are very scarce. Was glad to hear that the 33rd was being mentioned in the papers back there. I know for a fact that it has become famous throughout the entire A.E.F. and will probably become more so before the war is over. Was glad to hear of
Ralph’s promotion, but what the deuce is the matter with him in the correspondence line. In all the times I have been over here I haven’t received a single letter from him.

Well Folks as there is no other news of interest I will close with love to you both from
