Darling:

It had to be you, it had to be you.
I wandered around
and finally found
somebody who, could make me be true
Could make me be blue
and even be glad just to be sad
Thinking of you.
Some others I've seen
might never be mean
might never be cross
Or try to be boss
But they wouldn't do.
For nobody else
Gave me a thrill
With all your faults
I love you still
It's got to be you!!

The last line of this verse should
tell you all I want to tell you. I
was very fortunate to find someone
as true and as fine as you are.
Love me always Darling as you
do now and I too will love you

always.

No letter today, that makes two days. No doubt will get about three or four tomorrow, I hope. It's very lonely when you don't write Dear, or shall I say, when the mailman is mean to me by not delivering your letters on time.

Really haven't much to write about Sweet. Missed not talking to you so very much - Will try to visit you as soon as possible in June. The sooner the better.

Love as always
Walby
