DARLING:

Just started working a new shift today which is from 1630 to 2430. It's a little quiet right now so here goes a letter. Received two letters from you today, one of which is about our friend Junior. I saw Junior today and he completely avoided me. Don't worry about anyone knocking my teeth in as I beleive I can handle myself pretty well from past experience. He doesn't worry me and I'm pretty sure he won't talk because if he does I'll put a stop to it immediately. As far as we both are concerned the situation is closed.

You are very sweet in your letters and you don't realize the comfort I get out of them. Keep on saying the sweet things you do in your letters, they mean a lot to me. Every time I receive one of your sweet missiles I beam all over. You are my one and only Sweetheart and I beleive you know that by now. If you don't youre blind. I beleive you love me so I should think you can beleive me when I say I LOVE YOU TOO.

The weather today is a little warmer byt it still is too cold to take off ones shirt for a sun tan. One consolation is that we won't stay here too long and I'm sure not the coming winter. I sincerely hope this war ends soon so I can spend my time with "MY MOMS.

Will close now Darling loving you always and just aching to be with you every minute of my life.

Lovingly DARLING,

Doesn't seem to be much on the page, does it?
