Darling,

I know you told me not to type you a letter, but Honey, will you just excuse me this time? I can write you so much more in much less time. And Dear, I have to get to school. And generally when I write you a letter it takes about two hours. So this time it will only take one hour.

Oh Darling, I miss you so much. Those three days were the most perfect days that I can remember spending. ~~xxxxxx~~ And especially at night when I didn't have your arms around me. Did you miss me then too?

Now Honey, I want you to laugh because I don't want me boy to forget how to laugh, and he has got the sweetest laugh of any one I know. Just because you think of me that doesn't mean that you have to get all sad. I want you to be happy when you think of me. Because Dear, I want to be the sunshine of your life and to be the sunshine of ones life that means laughter and I want to make you so happy not sad. So don't be sad any more just because you think of me.

Did you go to Cleveland with Jim and

Esther? Or did they drop you off at Oberlin and go right on?

What were you doing, writing your letter on the installment plan? Did you write the first part of your letter on Tues. night and the second part on Wed?

Will you please excuse me a minute Sweet? Well here I am back , that was a very big rush call, and when you've got to go you've just got to go.

My my now then how does it feel to go back to hard work? Honey just pretend that you are working for me and **that** when you go home you are going home to me, and that I'll have supper ready for you. and that we shall have the rest of our lives with each other. But Darling, please don't pay any attention to me, I'm just dreaming.

Yes, Dear I do remember that song " A little kiss each morning, a little kiss each nite." That's what we'll be doing some day only we shall have a good many kisses in between times. Because we couldn't just have two kisses a day. That would never do for us at all would it Sweet?

Honey, almost every night I look out of the window and look toward the south and I wonder if you are looking up at me too. I can almost see you smiling down at me. It doesn't seem that you are so far away from me because really you are right next to me aren't you sweet? At least your heart is by my side. And, Honey my ~~xx~~ heart is right

ther in Oberlin with you.

I'll bet your mother was sure glad to see you after all her boy had been away for almost four days. What did she say about the card? She got it I hope.

Well Honey I must close nowas luch is ready and I have to iron get dressed and go to school and etc.

Darling, I love you very, very much.

Yours forever,

Evabel

P.S. My typing gets worse as I go along, but you will excuse me wont you, Sweet?
