Dearest :

With someone like you
a pal good and true
I'd like to leave it all behind
and go and find
a place that's known
To God Alone
Just a spot to call our own
We'll find perfect peace
Where joys never cease
Out there beneath a kindly sky
We'll build a sweet little nest
Somewhere in the west
and let the rest
Of the world go by.

This verse from a beautiful
song says every thing I try to say
to you in my letters and when
I'm with you. Someday I hear

our joys will never cease in a place of our own. Yes Darling we will let the rest of the world roll by. With someone like you, a pal good and true. I don't want you ever to be just a sweetheart and then my wife, I want you to be my pal even when we are finally married. Just a place to call our own is the best part of the verse. Won't it be wonderful in a place of our own where we can live and love together. It will be heavenly!

Got one letter today from you Dearest. Yes you may call me once in a while, it won't

embarrass me but it will be expensive so if you must call make it as short as you can.

I'm getting my finances straightened out as I intend to get something special to give my Darling on my birthday which isn't far off. Never mind, you don't have to know when my birthday is.

Will close tonight Darling and always thinking of no one else but you. I'm also thinking about this week-end. I hope to be in my Honey's arms then.

always Ilean!

Wally
