Dearest Florence:

I'm through working for today and a little tired. It snowed here about 1400 but did not last more than an hour. It seems we won't get any warm weather here this year. No letter from you today but I know there is one on its way, you never disappoint me although I do have to wait.

Really haven't much to write about Dear except I can't wait for the days to fly by so that I may be with you even if for a little while. I miss your sweetness and the adoring way you cuddle

to me when I am with you. I have one thing foremost in my mind and that is to give you something nice on my birthday - you guess what it is. I hope you want it and accept it with your love. Good-night Darling, always be mine alone
