My Darling Wife,

Honey I haven't heard from
you now in almost a week.
I sure miss your wonderful
letters. Darling I sure do
enjoy your letters, there
are very few minutes
when I enjoy anything, and
that is when I am reading
letters from you.

I love you Sweetheart,
did you know that Honey.

(2)

Darling I didn't get to
write you yesterday. I
do my best to write you
everyday, but there are
times when I just don't
get a chance. I am sure
that if you read the paper
and listen to the radio,
that you can understand.

I have read and reread
your letters so many
times that they are
almost worn out. I
sure hope I get a new

3.

letter or two tomorrow.

Honey I am very sorry
that I couldn't send you
a cablegram in time ^{for} ~~to~~
you to receive it on
your Birthday. But it
still goes to show you
that I am thinking of you
constantly. I love you
more than anyone in
all the world. You are
the sweetest most loving
girl in all the world.

Honey these Crazy Boys
over at this air field are
making so much noise
that I can hardly keep
my mind on writing.
But I love you so much
that nothing can take
my mind off of you.

I am so very anxious
to receive a Big picture
of you Honey, Have you sent
me one yet? I sure
hope I get it soon.

is old Gal. still at home?
 I sure like that old boy,
 He is just like my own
 brother. I hope he gets
 out of the navy.

Honey How is Dad getting
 along. I still don't know
 for sure, what happened
 to him, but I sure hope
 he is getting alright now.

How is Ella + son?
 I sure like that old
 gal, I would like to
 see her and her baby. Of

L.

course there is someone
else that I had much
rather see, than you
Darling. I don't know
what I would do, but
if I could I would take you
in my arms and hold
you for hours. I wish
I could almost smother
you to death with kisses.

Henry, now that I
am flying every day, I
will have more time
to write you, "I think."

Sweetheart, I have enough
 stamps now to last me
 for awhile. I can get
 stamped envelopes easier
 than I can just plain
 envelopes. Always
 send me nuts and
 homemade candy when you
 can. It is better to
 send small packages and
 send them 1st class mail.

Honey there is no use
 for you to put two
 stamps on a letter,

It takes just as long as
it does if it has only one, and
sometimes even longer.

Well Honey if looks like
I have written a volume.
I like to write to you
though, cause it makes
me feel so much closer
to you. I love you with
all my heart darling, and
some of these days I
will be home to prove
it to you. You have
no idea how much I

Love you & love you with
all my heart, I'm yours,
all of me, for ever and ever,
your my Altine Sweetheart,
I adore you Darling, and
I shall always love you
with all my heart.

Henry I must close for
tonight, I can't think of anything
to say, but I can sure
think of where I would like
to be, and who I would like
to be with. I'll see you
in my dreams Darling.
"Good night Sweetheart" ^{your Husband} Bob
