Dear Folks:

Arrived here OK last night at about six ten. Made good connections all through & had a very pleasant trip.

Everything has changed down here since I left. Several inspections have taken place by the division staff & general Bell & everything we have has been checked up. It is very probable that we will leave within the month.

The weather has also changed considerable. The nights are pretty warm & the days are really hot.

It is very warm riding & I was
wringing wet all day. We will
probably make our final trip
to the rifle range tomorrow. We
will stay there about a week &
probably take our last course
of shooting in this country.
With the coming heat all the
boys are just crazy to move
as it will be impossible to
work or drill down here in a
few months.

No further news I will
close with love to you both
from

Wes.

Please excuse pencil.
