Wally darling,

I know you'll forgive a very tired baby if she only writes a little note.

It will be a love note anyway. 'Cause I've been thinking of nothing but how much I love you for hours and hours.

Just before I go to sleep is the loneliest time of all. "When day is done" like in the song I like so well. "I miss you most when day is done."

I've been feeling rather punk for several days, just neshes, I guess. Nothing to worry about. 'Cause by the time you get this I'll have talked with you and Biscuit. But when I feel bad I can hardly keep from getting twice as lonely for your shoulder to rest my head upon.

Oh honey, it will be so wonderful to feel your arms around me once again and hear your voice saying the sweetest words that ever were spoken all to me.

Tomorrow I'll talk to my Pop, and that will make the sunshine again. It's really very cloudy now.
Business is rotten - don't know why unless it's cause the audience can afford better seats, consequently the rear of the balcony & the gallery where I usually get the most rentals have been practically empty each night so far.

I forgot in last nights letter to thank you for your advice about saving my money. I'll be a good girl from now on.

But this week is going to be a pretty big dent in my pigged bank. However I'll match anything you promise.

I'll match anything you promise for a joint account. So its send me for a joint account. So its you too - if you want me to be good.

A good job too - if you want me to be good up to you too. If you want me to do the same and save you'll have to do the same. I do have to buy tires right away.

I'm going to try to get a priority next week. If I can shop while you're here I don't know one tire from another and will feel better if you advise me.

And now to bed - but first a great big hug and kiss for Papa - and all the tenderest feelings of my heart for you.

Sleep well and dream of your mom and don't stop loving her for one moment - cause life itself would stop for her if you did - Lovingly Florence.

Wally darling,

I know you’ll forgive a very tired baby if she only writes a little note.

It will be a love note anyway, ‘cause I’ve been thinking of nothing but how much I love you for hours and hours.

Just before I go to sleep is the loneliest time of all – “When day is done”. Like in the song I like so well “I miss you most when day is done”.

I’ve been feeling rather punk for several days, just nerves, I guess. Nothing to worry about ‘cause by the time you get this I’ll have talked with you and I’m sure I’ll feel better. But when I feel bad I can hardly keep from getting twice as lonely for your shoulders to rest my head upon.

Oh, honey, it will be so wonderful to feel your arms around me once again and hear your voice saying the sweetest words that ever were spoken all to me.

Tomorrow, Saturday I’ll talk to my Pops,
that will make the sunshine again. It’s really very cloudy now.
Business is rotten – don’t know why
unless it’s ‘cause the audience can
afford better seats, consequently the
rear of the balcony & the gallery, where I
usually get the most rentals, have been
practically empty each night so far.

I forgot in last night’s letter to remark
on your advice about saving my
money. I’ll be a good girl from now on,
but this week is going to see a pretty
big dent in my pocket book. However,
I promise I’ll match anything you
send me for a joint account. So its
up to you too – if you want me to be good
and save you’ll have to do the same.
I do have to buy tires right away.
I’m going to try to get a priority next week
so we can shop while you’re here. I don’t
know one tire from another and will feel
better if you advise me.

And now to bed – but first a great
big hug and kiss for Pops – and all the
tenderest feelings of my heart for you.
Sleep well and dream of your Moms
and don’t stop loving her for one
moment – ‘cause life itself would stop
for her if you did – Lovingly, Florence
