Dear Mother,

I just wanted to write and let you know that I'm doing all right, getting the best of care, getting well as fast as can be expected.

The Red Cross and Y.M.C.A. men do everything they can to make us comfortable, furnish soap, towels, and all we need in that line as well as chocolate occasionally.

Have you heard from Blanche and Vannie? I haven't had any mail from any of you yet and would like to hear how they are.

There is no need for you to worry everything is going fine and from the looks...
If the papers it won’t be long before we’re together again.

I will enclose a coupon which if you send me a package for Christmas will have to be posted on the outside of the package. The Red Cross people will pull the right size box.

Lots of love from

Robert

Send chocolate or candy if you can get any.
