Darling,

I'm sitting here all by myself. Zella & Cubie went to the show, and Floydie and Sarah are sleeping and darling, I'm sitting here just thinking about you missing you so awfully much! O h darling, I need you so much. I want you by my side always. I don't why I should feel this way so much to-night. Of course I miss you every mite but to-night I guess I feel just kind of extra blue. And on top of that I have such a terrible tooth-ache. It seems as though every thing comes right at one time.

Darling, If you don't get no letter from me to-morrow it is

because I have no stamps I bought some the other day and I have no more money. I hate to ask Zilla for any because they are so awfully hard up and she has given me money time in again when I know she couldn't spare it. I've gone out almost every day, and almost every move means money.

Zilla and Rubie got into an awful fight. But they made up in about 10 minutes. Darling, don't think I'm kind of foolish for asking you this but I just want to know. Have you ever seen me cry? I don't think I ever have. I very very seldom cry. Sometimes I feel like it. But I just can't, and if I ever do it must be something very extraordinary.

It is now two days later, you didn't  
get a letter from me yesterday. Honey  
please forgive me, you see, I'll tell  
you the whole story, then maybe you  
will see. Well yesterday when I got  
up I still had that awful toothach  
that I was telling you about earlier  
in the letter, and my Yella only  
had one dollar in the house, so  
she gave me the dollar and I  
went and had the tooth out.  
It was that tooth on the side that  
was rotten. You were always telling  
me to get it out. Boy it sure  
was some tooth. I thought  
that dentist was going to yank  
my head off, and my mouth  
was all sore last night. And  
so honey, you won't be mad  
with you  
Well darling enough of that

I started to write this letter Wed nite.  
and now this is Fri.

Nothing very important has happened  
since I have written my last letter  
except that I had my tooth pulled.  
Oh did you know about that?  
Well I wonder who could have  
told you about it?

Oh darling, your letter was so  
sweet. I guess that was in  
answer to my very short letter.  
Honey, when your face burns  
put some cold cream on your face  
before you go out and also when you  
come in. also remember don't lick  
your lips. Darling, I love you  
anyway, even when your beard  
was out about 5 inches.

Well honey, I must close as I'm  
very hungry, and I can't eat much.  
I love you. Your own, E. Vabel.
