My Darling Wife.

Sweetheart I haven't much to say tonight, as usual I am very tired and I am acting to get in my sack. I wish I was home honey so I could go to bed with you and tell you all my troubles. Darling I Love you so very much and I miss you more than anyone can ever guess, but perhaps you know how much I miss you Darling, for I know you miss me too. Darling Without

your love to give me courage
to go forward I don't know
how I could get by. You mean
more to me than anything
else in my life darling.

Honey tonight I am deep in
Germany. far East of the ~~Rhine~~^{Rhine}
river, and my thoughts are many
miles away, back in Texas
with you honey. For that is
where I long to be, holding
you close to me and whispering
in your ear, "I Love you Dear".

Tonight I had a wonderful
bath. In the house where I
am staying, "Liberated from Kanta,"
there is a good bath tub and
behind me honey we have
really been making good use
of it. Sure feels good to get

all cleaned up again. I wish
I could have had you to wash
my back darling, but I managed
somehow. ^{Ha!}

Darling I will be so glad when
this horriable war is over
and we can be together again
for the rest of our lives, to
raise our family and live in
peace and happiness forever.
Darling that is what I am
fighting for, I know that
you are worth it to honey.
My part of the war is much
easier than yours because
I have so much to keep my
mind off of you and how much
I miss you, and you darling,
you can only wait and wait.
Keep your chin up honey, live

Coming back to you just as
soon as I possibly can.
You know I will never more
roam, once I am with
you again darling.

Sweetheart please be
sweet to me and send me
some new pictures of yourself
every week or so. I Love to
sit and admire you Darling,
you are so sweet and beautiful.

God Bless you Darling and
Keep you for me.

I Love you
Your Husband
Bob
