Darling,

Of course I'm not mad at you darling, because you didn't write yesterday, or rather Sun. I don't think I could write twice in one day either. So I guess you're excused this time.

Darling that was a very sweet musical letter, I liked it very much. I'm going to try to write you one too. and as for being either sharp or flat I'm not either. you see if I was sharp I'd be too bitter and if I was flat I would be dull so I don't think you would want me to be either one now would you?

Is the body on Bill's car a nice one? What make is it?

now, Jack, I'm afraid you are exaggerating just a little. you said your brother looked ten feet tall now you know he didn't. maybe he looked 8 feet tall but I doubt very

much whether he looked ten feet tall.
Has your brother Chuck got a girl yet.
I'll bet he at least has his eye on one.
I'd hate to see him quit school. If
you can possibly help it, darling, please
don't let him quit school. Talk him
out of it if you can.

Gee, honey. I'm so glad your back
is better. I'll bet your muscles are
pretty big now. I'll bet you'll be
a big strong fellow before your thompson
working there.

So you are out of stationary too.
I guess I'll be out of stationary entirely
when yella runs out of stationary. And
Flordie also rises her ~~stark~~ stationary.
I was home all alone this afternoon
and also yesterday afternoon. Yella
went out visiting. Both afternoons.
Gosh, honey, I was so blue
till I got your letter to-day

Honey, always write me real cheerful
 letters and I don't care how many
 times you tell me that you that
 you love me. I love to hear that
 and I'll never get tired of hearing
 you say that. So fire away kid,
 I got a letter from Esther and she
 said that her and Jim broke
 up again or something like
 that. I didn't understand exactly
 what she meant, maybe she meant
 that that they had broken up. She
 said she could learn to love Jim in
 due time.

I got your stamps, thanks for it.
 you don't have to make it stick
 just put it the letter between the
 pages.

Honey. I want to ask you for
 something. Now please don't
 be sore if I ask you for this. But

you said that you never wear it. So honey, will you send me my high school ring? now, dear, if you don't want to send it you don't have to. I'd just like to wear it once again. And then I can wear my birthstone ring on my left hand. Do you know what that means.

"Here's my musical letter, my extraordinary man" you've got me in between the devil and the deep blue sea, and yet "I've got my hat on the side of my head." because instead of saying "no, no, a thousand times no" you said "O.K. Fools!" But now I'm "all alone" waiting for you to "sing me a thousand love songs" "all through the night." because "you can't stop me from dreaming." "Tell me that you love me tonight" and I be happy with my "memories" and "In my Solitude" I'll look "among my souvenirs." and I'll find a picture of you" and ~~get~~ "get that old feeling" which means "I love you truly."

"Remember me."

Evelyn."
