Darling One,

I'm sitting here now holding a conversation with Dandy, and an intelligent one, I'll have you know. He studies my writing so intently.

It was the cutest thing this morning. Florjdie + Sandy were writing letters to all of their relatives and you, they always include you in every thing. Gosh I guess you're just like part of the family to them.

The Auto Show is in Detroit too, I sure would like to go. Why aren't you in town now so we could go there. I've never been to a auto show. Have you?

How many sandwiches do you take to work now? I remember you used to take about 5 sandwiches. And I always used to wonder

How in the world could you eat so much. Do you take anything hot to drink? You really should dear, after working out side all day.

I'm home alone with the kids the after noon and are they ever pestering me so if letter sounds kind of screwy you will now the reason why.

Oh, did Bill only get Dolly a box of candy? I remember on my birthday you didn't know me as well a Bill knows Dolly and you weren't working so steady either. Oh well maybe that's his own business.

I've got the awfulest pain in my left shoulder, I don't know what it is. But I certainly know it's there.

We have a new mania now. Gella + I can sit for hours and

play honey noon bridge. I'll have to teach it to you. But gosh it seems as though whenever we do see each we are always in such a hurry to do so many things we don't have no time for little things. maybe next time we manage to have a little more time for little things like that, heh?

Dear I hope you aren't insulted because I asked for my high school ring. But you see you don't wear it any way and I haven't had that good old ring on for so long. and you have my little heart ring and you used to have my other high school ring. But honey, if you feel that I'm asking to much you don't have to send or bring it. (I can wait)

Well, dear, I'm afraid I'm just about all out of news. and dear please write some more news

I mean if you ever see any thing
or what happens in Elyria.

I would just like to know for the
devil of it.

Say hello to the family for me.

yours,

Evelyn.

P.S. Honey, I have only a couple of
more sheets and two more envelopes
I should say that's all Yella has
so if you don't get a letter one of
these days. Don't be insulted.
