Darling,

my, my I had such a busy
day. I went downtown early
this morning and was downtown
till about 1:30 and then I went
with yella over to her girl friend
and we were there till 5:30
and now I'm hurrying with
this letter to get it mailed in time.
But I guess I ought to make
it.
I just loved that stationery you
wrote on. It's bet it was expensive.
Did your mother & Dad have
a good time in Washington?
I'll bet Genevieve was sure
glad to see them.

Listen, honey, I've changed my
mind. I hope you don't mind.
But instead of going to Elyria just for Fri and Sat. I think I'd like to go for a week, and then could you drive me back the following Sat. Do you want to do that? you could come and see me just the same. Now they can't stop us from seeing each other if my dad says anything. I could just pack my things and come out to your place. I'd come out to your house Fri. and stay till Fri. and then Fri. I could go to my dad's and I could see you Sat night and all the rest of the week. See, we could be together for almost two weeks. Then you'd get the car the following Sat. if you can't then I'll only stay two days. But
like this you see I could see you much longer, and we wouldn't
be ashamed to go any place. I mean I wouldn't be afraid to be seen.

Money you tell me what you want me to do and I'll do that.

Money. If you will please excuse me for this short letter, I'll write
a big long one to-morrow.

yours,

Evebel.

P.S. Please don't misunderstand me. I'll come out to your house on
Tues as we planned only I want to stay an extra week instead of
two days at my Dad's house. You understand, don't you?

I Love You, Dearest.
