my Darling,

I'm sitting once again and writing to you but wishing I were in your arms instead. It's now nine o'clock and I figure you are in Norwalk or something like that. Am I right? Next time darling tell me what time you came home and we shall see how near right I was.

Gosh, honey, is my nose soe running maybe that means that my cold will fresh. I sure do hope so. At least I hope it's a little better by next week. But won't it be like me to have a nice big cold sore on my lips. I always manage to have them the wrong time! Remember last winter how I used to have all those cold sores and I

used to tell you not to kiss me and remember how you used to listen to me (Oh yeah) and Remember I said I would get because you wouldn't listen to me (Oh yeah)

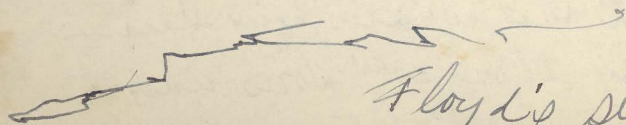

Honey you don't mind if I just this to - tomorrow. It's now 10 past 10 so you can see just how nicely I'm progressing. So I'll write to tomorrow.

Well, darling here I'm back again. It is Mon. afternoon at 1:10 and I'm listening to Ty Tyson the man on the street.

Zella was just doing ~~exercise~~ exercises.

Zella hasn't any vicks in the house. ~~So~~ so I couldn't get any on. But I took two aspirins. But I couldn't breathe thru my nose. So all night I had to breathe thru my mouth. Boy when I got up this morning

my mouth was ³ all parched and I
couldnt hardly breathe and my nose
oh gosh that was terrible. But any
way now I feel a little better.
But I sure do wish you were
here to help me get rid of this
Gosh, honey, I just cant seem to
think of a thing to say except that I
love you with all my heart, and
darling, it will always be the same.
I'll always love you just like that.
Well darling until to-morrow,
yours forever,
Evelyn.
