Sweetheart,

Br — — oooo — is it ever cold outside. Boy, I went out job-hunting this morning and I almost froze my tootsies off. But golly they won't here any one unless they have local experience.

Well enough of that, darling, my, my, don't you just read the nicest stories at bed time. no wonder you have such lovely nightmares.

I got a letter from Isabel and she hasn't seen Bing since a week ago seen. that is nov 29. I wonder what is happening to them. She said he gave no explanation about why he didn't come down that Wed and he just called up Sen and said he couldn't come down because he had to work. Honey, what does Bing have to say. Gosh I'd hate to see them break up. That's what Isabel thinks anyway.

Honey, I really don't know what to tell you about coming. you might be able to get a job. This is how I feel. If I get a job here I'll stay but if I don't get a job, there is not much more I can do. I really don't want to go back. maybe I might get a job. Rubie said that after the first of the year it's going to be very good. Honey, I want you to come in. I mean as far as seeing you. But honey, as far as employment I can't say one way or another. you might happen to strike something lucky.

I also got a letter from Stella. She begged me to come in for Christmas. I would love to but I'm afraid I'll be working (I hope) But honey, it's all up to you about coming.

Gosh, honey, I wish I were with you you now. I mean when you are moving

Do you like your³ new house? I'll bet
it is nice. Oh I'd like to see it,

now it appears that my cold is
reaching the coughing stage, and what I
mean coughing I really coughing. When
I went downtown I coughed almost
all the way. Oh but darling there
I go writing my troubles. I'm very
sorry really. Just skip that. I Brouse
darling, I love you and I want
to tell you every thing.

Well darling I'm awfully very sorry
that this has to be so short but
when you can't think of a thing to
say you just can't.

Maybe I'll be able to write
more next time

your own,

Evelyn,
