Darling,

Oh, honey, I'm sorry that I wrote such a funny old letter. I didn't realize that I was at the time. But please forgive me, dear, I'll try to do better this time.

Gee, honey, what kind of a job do you think you are going to get. No honey, I'm not getting my hopes up too high but I'm hoping for you, my darling. If you do get the job how long will it last?

Of course I want to come in for Christmas but I won't have you sending me money. Don't you think I can't wait till New Year's eve to see you. And honey, if you came in now it wouldn't do you any good because I doubt very

to do. not that I don't want to  
see you. Oh darling I always  
look at your picture and talk to  
you that way; if some one saw me  
they would think I was crazy.  
Yes I am, about you.

Darling, please don't be blue.  
because when you write me that you  
are blue I get blue too. you see  
honey, I'm happy when your happy,  
always be happy because I'm always  
right next to you. Maybe you can't  
see me but I'm there alright,  
you see, honey, my love for you is so  
strong that it will follow you where  
ever you will go.

Honey, you didn't say anything  
about my New Years Eve party. What  
do think about that idea? Personally  
I think it is a pretty good idea?

I'll bet you can't guess where I'm sitting. Well I'm in the back bedroom sitting on Daddy's bed with my feet crossed under me and one of my feet is falling asleep.

I told you that I had written to Jim to come out for new year's. Well I got a letter from him the other day and he said that he couldn't come out for new year's because he had a heavy date and a party on in Cleveland. Oh well we can have a good time any way.

Honey will tell me exactly where your house is? I mean how far down is it and on what side of the street it's on. I'd just like to get a picture about where it is.

God this is such funny weather one day it is so ~~called~~ cold and

And darling remember I love  
you very dearly.
