A Riddle

What is it that to most people comes but once a year, but to us comes every month? What is it to most people they forget after they have celebrated them after a year, but which we shall never forget?

What is it which most people think is unimportant but to us is very important?

What is it that falls on the 23rd of every month?

Guess what? Darling, anniversary, greetings on our 20th.

Yours,

Fink.
