Dear Dorothy,

Well I'd best write to you again. We were pretty busy everyday and nite both, this week. Tonite we have to go and crawl under machine gun fire and ^{then} we are done with this basic. Next week part of us start on heavy weapons and others on light. The time sure went fast since I got here. In fact it's gone to damn fast. It doesn't seem like I've been gone from home for over two months already.

I got one letter from ma and one from you this week so far. It's funny I didn't get mail addressed to the 714th yet, (maybe today)

I had guard Mon nite and it snowed that nite for the first time. Yesterday it started raining and it's been raining ever since. sure miserable weather.

They finally got some stuff at the PX here. They didn't have anything before. The other nite I went over to the belgian camp

and got a carton of their candy
bars. That sure is some potent
stuff.

It's almost time to take off again
and I can't think of a thing to write
about. There's no use telling you
what I do here because you're not
interested anyway at least you
shouldn't be, because I'm not.

Sweet heart I miss you so much
all I ever do is think about you and
when I can go home. all we can do
is hope it isn't too long.

So long for now darling. I love you
so very much

all my love
Joe
