Dearest,

I'll bet you can never guess who this is from, well I'll give you just one guess. Yes it's really me. I'm sitting here in the office and Isabel is working and so is Irene so they put me to working on the typewriter and so that is the reason for the letter.

Really though, Darling, it's been so long since I've seen you that I don't know just what to say to you. But I can tell you all about last night and this morning.

Well, by the time we got to sleep it was about 1:00 and then we got up at 7:00, Yes, Dear, we actually did get up. And then we went to the Campus and had breakfast. And then we caught the bus and here we are. And Isabel is counting money and Irene is in conference with herself. So I'm amusing myself by writing you a letter. But you know how that is, I can always amuse myself with you. Well, my sweet, I think I shall say adieu and also Irene sends her love (now you had better not take that literally) .

Your own,

Fink
