MEMORANDUM

From: Leslie Baum
To: Maestro Temianka
Date: July 1, 1987

I find it difficult to understand the reasons why our, up until now, warm and personal relationship has deteriorated to the point where you find it necessary to dictate such cold and unfeeling memos as those which I received this evening. I am deeply hurt that you chose to communicate in this manner.

I feel that, up to this point, I have been nothing but honest, hardworking, caring and loyal to you, the California Chamber Symphony Society and Musical Presentations. I have gone out of my way to be available and have always tried to overlook situations that made my job difficult.

I hereby request that we discuss this situation in person. I am free during the evening on July 2, 6 and 7. Please let me know what time would be convenient.

I am too upset to work this evening, but please be assured that no matter what happens, I will continue to do whatever is in my power to keep the Chamber Symphony running smoothly. I feel a strong commitment to the goals and success of the Chamber Symphony as well as a deep respect for you. I will provide the materials that you have requested, to the best of my ability, before I depart for Paris.

Yours ever,
