Dear Sis;

Received your letter of the 17th with the snapshot enclosed. Really enjoyed reading the letter.

I liked the snapshot very much. You look swell Sis, really swell. The children look grand. Boy, that nephew of mine is really getting big, isn't he? He sure is a good looking boy, well built too. Diane looks fine. I notice that she has very nice looking hair. Grand ma looks pretty healthy for her age. Does she still give you trouble?

Glad to hear that you received the M.O.'s. Whats this about you giving Mom some of the money. Tish, Sis if she doesnt get enough with the allotment tell that I'll send her more if she needs it. How much did you give her? When I send you anything like that its for you alone. You are doing a splendid job of watching over Mom, and I really appreciate it. If I want to show how much it means to me, clog you it you spend the money on yourself.

11
Havent seen Jay Luck since the
first time I saw him. I guess that the
lack of transportation is the reason. Steve is
probably having a good time where he is now.
Ill probably see him after a few months
has gone by.

Feeling fine and am raring to go.
Every thing is swell with the exception
of one guy that causes me a headache once
in a while. Otherwise I couldnt ask for
a better bunch of men. No kidding, they
are really a swell crew.

Got a package of cookies from Lee today.
They were delicious, boy the fellows really
went for them in a big way. The ex girl
friend can really take when she wants to.

Hope that the box and envelope get
home in good shape. Tell Eddie that
I would appreciate it if he showed the
club members the rifle, that is when he
has cleaned it up.

Thats all, so long for awhile and God
Bless and watch over the pie of you

Sincerely
George
