I would like to thank all the talented musicians who played with me tonight and my violin instructor Mt. Mischa Lefkowitz for all his help. I would also like to thank Professor Koshak for all the helpful feedback he gave me throughout my Chapman career and Dr. Martin for all the help he gave me on my compositions. I'd also like to thank my beautiful parents for their continuous support throughout my musical life, and last but not least, thank you all for being present this evening.
