Dear Henri,

It was really a great joy to talk with you by phone and hear that you, Emy and your entire family are well. I am so impressed to hear about your activities all over the world and your never lacking fantasy concerning the most different, exiting subjects. That you always are willing to help me with my problems, makes me feel very grateful.

During our tour in USA Oct. and Nov. 1984 did I contact the Swedish Information Service (SIS) about an ev. propagandatour to some American Universities according the Swedish violinrepertoir.

SIS was interested in such a project and I prepared the enclosed program. The entire material, including records and so forth, was sent to Mr U.W.Lundin at the Swedish Embassy in February. Since that not one single letter about this project has been mailed to any American University!

After our phonetalk is it clear to me, that time has gone and that there are too great difficulties to realize this matter in October. I suggest to postpone the plans to a later occasion in 1986 and we can talk it over in Paris.

It is going to be very nice to see you at the Menuhin competition in Paris and I have already arranged my living at:

Centre Culturel Suèdois  
11, rue Payenne  
F-75003 Paris  
tel. 2718220

I also hope that Maud will be able to join me fore one week. Please let me know your adress and phonenumber in Paris. Maud and I are sending you, Emy and Your whole family love and

Best wishes from Yours

*Leo*
