Lidingö December 18th

Dear Emy and Henri,

In spite of not writing every day, it is amazing how often our thoughts are with you, wondering how you are and what you are doing. It seems to me that you have similar thoughts, because we often have got greetings from you through people like Herbert Blomstedt, Carl Fridener, the Fritzingers and so forth.

The 9th of November I returned from a successful tour with the Stockholm Philharmonic in the U.S. 14 concerts in 20 days from Washington, New York, Cleveland, Toronto, some universitytowns in between, ending up with Chicago. I should have called you but the chances to meet each other were impossible, because we went by bus every day and only played. When I came home I played the Beethoven concerto and also appeared as soloist with our orchestra in a piece by Stenhammar at the Nobel Prize promotion in December 10th. It was rather thrilling with that big audience, the King and Queen, the prizewinners, televised to about 15 countries.

From my course at Arholma in June, where I worked with a chamber-orchestra ( 18 players ) TV made a film taking about one hour. It will be on TV on the 18th of January 1985.

In October 1985 I might visit U.S. again for some lectures at the East Coast. The main subject is Scandinavian Stringmusic and the Swedish Information Service is involved in that project. The plans are still rather indefinit.

It would be wonderful to extend the trip to the West Coast taking Maud with me. Henri could you give me some advice about colleges who might be interested in that kind of project?

We both wish you from our heart a Merry Christmas and a Happy New Year.

Your old friends

*Maud, Leo*
