My dear Rudi:

I cannot thank you sufficiently for your most generous endorsement of my book. I can well understand your desire to wait a few weeks before finalizing your decision on the Los Angeles tribute. Although we would like to be able to start planning this event as soon as possible, we shall wait, in the hope that you and Nina will find it possible to accept. We would place no burden upon you, and I believe you and Nina would have a most happy and relaxed time with us. Anne Baxter, the new president of our Society, would look forward tremendously to your visit and joins me in expressing the hope that you will find it possible.

I see with great delight that your splendid book has made the best seller list. May it remain there for a long time to come!

Yours in old friendship,

Henri Temianka
