Dearest,

I'm just wondering whether this will find you disappointed because you couldn't get your parlour or whether it will be after you come back and you will be all happy. Any way one thing, if you don't get the parlour now it will be something to look forward to. I still don't know. I hope I have some word when I get home from work to night. I hope the weather keeps up just as nice at least I hope Chuck has nice weather while he is home. I haven't seen him since Mon evening.

Gosh, Honey, I just don't know what to write. I don't know whether I'll be seeing you soon or not. So if this letter sounds kind of crazy you will know the reason.

Darling, when I do see you I'm not going to let you get out of my sight. So don't say any thing if I tag you around just like a puppy. Of course I don't

think you will mind so very much.

Darling, I love you so much. you are such a sweet little something. and I'm going to have that something before very long. What a time we shall have. huh honey?

Still, Darling, I'm going to close now so I can dream you are right with me.

all my love your own
 Frank
