Dearest Sweetie,

Every time I write you it's on different paper. But you know how it is, variety is the spice of life. Well, Baby Dear, first of all I want to tell you that I had Florence & her mother over for supper last night. And they really enjoyed it. I had one of my famous meat loafs with brown potatoes. And after we ate we went over to Betty & Dan Holman's place. I don't think you ever met them. They are a young couple and he's a veterinary. And you should see the place they live in. It's a 5 room furnished apartment and it is

darling. It's the nicest furnished  
apartment I have ever seen barring  
none. It's got all period furniture  
and the house is real modern. It's  
a brick house. And they only pay  
\$50 a month rent and that includes  
everything even the heat. It is  
just the kind of a house I'd like.  
And then Florence wanted me to go  
over there to sleep so I did. That's  
the first night I have spent away from  
my place since I have been here. And  
boy has Florence got a nice comfortable  
bed. Just like the one we have at home.  
And when I got up Lizzie had our  
breakfast all ready. Boy that is

really nice. I took a good hot shower  
and I felt swell.

I got my first letter from you yesterday  
afternoon and I was so tickled to hear  
from you but you never said a word  
about if any thing happened on Sun.  
That has been bothering me all along.

Darling, I shall write your mother  
and tell her that you wont be able  
to write very often. and I will write  
for the both of us. I love you so much  
Baby dear, and I'll do any thing you  
want me to. your wish is my command.  
you are my cute sweetie and sweet  
cutie and my lovely darling and my  
darling lover and every thing else that

is nice and sweet.

Well, Darling, I want to get this  
mailed so I shall close with lots  
of love and kisses

your own

Frick.
