Dearest Sweetheart,

I was so thrilled when I got your letter to-day. Oh Darling, I do hope you will be able to get a furlough. You asked me if I would rather you surprise me or let me know. Well, Darling that's kind of up to you. If you would rather I know about it before, then that's O.K. If you can get connections right through to Elyria without any trouble, then that would be swell. Then you could just surprise me. Say, Honey how about your suitcase, do you want me to send it to you or what. About when do you think you will be getting through with maneuvers?

I got our new license plate for the car. The number is YX 570. That's not a bad number is it?

I just came from my Dad's house. I did my washing over there. And boy oh boy did I ever have a big one. It was about 5 weeks washing. I took down our kitchen curtains, they were so dirty. I just put them up clear about 4 weeks ago and they

were so dirty I couldn't stand it any longer. I hope when you come home I at least have the house cleaned up.

Darling I'm so sorry I didn't get a chance to write you yesterday. I hope you will forgive I guess I'm falling down on my job. After I left your folks' house last night I went to Bill & Dolly's and I didn't leave there till about 12.

Bill still hasn't heard anything. I hope he is still home by the time you get a job. I sure do hate to see him go. But it just seems as though everyone is going. Boy, it won't be very long before there won't be anymore young fellows around.

Darling, I'm waiting so patiently for you to come home. Perhaps sometime when I'm writing you a letter I'll look up and there you will be. And then will you ever get loved up.

Do you need any money? Please let me know if you need anything. I'm sending a bushel of hugs & kisses and I want them all back. (Hope in person)
All my love Your Own Frank
