Darling Baby,

Mar 24

Bill, Dolly & Denny were over for the evening. Dolly & I and the baby went over to Aunt Ceelia's and I did my washing. Bill said he was going to get a hair cut but I guess the barbershop was closed so he sat around my place till we got back. It didn't take me very long to do my washing.

I went downtown to-day and I finished my shopping. I've got every thing bought for my Easter outfit. now all I need is you.

Darling, I'm getting more and more excited. I can hardly wait to see you. O h Baby, I'll just throw my arms around you and hold you so tight. and I'll kiss you so much. God, sweetie, I wish you were here right now so I could show you just what I mean.

Dolly took your mother in to have glasses fitted on to her. I guess that's

27

what they are going to give her for her birthday. She has been needing them for a while. I don't know as yet what I shall give her. I'll probably wait till the last minute and then have to rush around like mad.

That little Denny Boy sure is a little honey. He gets cuter every day. We had wandered all over the house and wanted to see everything and know ~~what~~ what everything was.

Darling, I certainly do hope that prediction of Henry Ford was right. As a matter of fact the sooner they end the war the happier I'll be. And the quicker you can come home to stay for good the better I'll like it.

It seems as though sometimes our married life has just been a dream. We were so very happy and then all of the sudden our happiness was just snatched away. So when you come home that means we have so much to make up for. I want to show you what real living is. We will do everything

and go everyplac³. It will so grand
to have you by my side all the time.
It gets just a little bit lonesome now
going everyplace by myself or with
girls. But then I guess I'm not to
only me so what have I got to complain
about.

I'm not sure when you get this or
even if you do. I'm still writing to
the old address. You still haven't
told me what your new one is to
be.

I love you so much Baby dear,
you are my Dearest, Darlingest and
most lovable husband. I am sending
you a whole bunch of hugs and
kisses and all my love.

your Dev,
Fink.
