Darling Sweetheart,

Apr 5.

I'm sitting here eating a chocolate covered donut. It's real good. I want a bite & O.K. here take one, now don't be such a pig and take such a big bite you almost took the whole thing. If you ~~want~~ want one go out in the kitchen and get one your self. Arent I silly, Darling? But I wish you were right here so I could talk to you like that. Only more than likely I would be sitting right on your lap. So you couldn't move even if you wanted to.

I went to the show with Dolly to-night. We saw "The Immortal Sargeant" and also "Iceland" they were both good pictures, and when we got back we sat out in the car discussing Church's girl friend. We wondered what kind of a girl she was and if we would like her and shed like us and all that sort of stuff. It seems as though we just cant get enough said. But you know Dolly and I. We could always have something to say no matter

what the circumstances were. I don't think I will ever find a better friend than Dolly. And, if I like my new sister-in-law half as well as I do Dolly I will be well satisfied.

To-morrow I'm going to take the car to Shorty's and have my tires inspected and have him change the oil. and then the little automobile will be allready when the lord and master comes home.

Law Maxwell came in the store to-night and I sold him some meat and he was short on tickets so I let him have them with out points and he said any time I'm short on gas I could go to his garage and have my tank filled up. So I guess one in a while it pay to do a good turn.

Darling, find out about the gasoline situation down there. If it's possible if I can take the car and if I can get enough gas to get home ~~and~~ you know we have four good tires and a pretty decent spare. And the car is in pretty good shape. So if it's possible we might just as well have it with us.

you said in your letter that Blackstone was the nearest town. I thought Petersburg was quite close there. Is Blackstone a very big town? Or dont you know much about it? Well, anyway you find out all you can and then let me know.

It's 12:30 already. I seems as though I never get a chance to go to bed early any more. Right now I'm so sleepy I could fall asleep right here and now.

I love you so much, Darling, you are so dear to me. I'm always dreaming of the day you will come home to stay once and for all. and then we sure will be two happy kids. We can play all day and make love all night. Don't that be grand?

I guess I had better call it quits for to-night and turn in.

In sending you lots of hugs and kisses and all my love.

your Own,

Frank.

P.S. I have a funny little story to tell you about Dolly that is too priceless to pass up, you know Dolly's capacity

for missusing words, It all the other
day we we discussing moles and birth
marks and stuff and she showed
me a mole she has on the side of her
neck and she said "you can always
tell me by this mole - you know
if I ever know or get magnesia"
