Dearest Sweetheart,

What a wonderful thrill I got to night when you called me. I was so happy. you know, Darling, when I came home from work to - night I just didn't feel like going over to Ida's. I was supposed to go there. I sat down and I was trying to make up my mind as to whether I should or shouldn't go and so I went into the living room and sat down and I picked up a magazine and began reading and then the telephone rang and I thought, Oh dear, that's Ida wanting to know when I am. and when I picked up the receiver here it was my sweet Darling calling me. When the operator asked if I would accept the charges I said "I sure will". Darling, you sounded so

grand over the phone. It seemed
almost as though you were
right next to me.

Sweetheart, I love you so
much, I often wonder if it's possible
for one person to love ~~two~~ another
so much. you are always in
my heart. Darling, it's going to be
wonderful to be near you again.
I hope I can go back with you.
I think it would be so much nicer
to go back to-gether and especially
if we have the car. Then you could
do the driving. But then I
go planning again. It seems
as though by this time I shouldn't
be that expectant, I really should
know better. But you know how
women are. if they don't have something
to plan they aren't happy.

I told you over the phone
to-night that I was two hours
late to work this morning. It seems
that the electricity went off during
the night for two hours. I woke
up this morning and the clock
said 7:00 and I wasn't sleepy
and I couldn't get back to

sleep. and I could not figure out what was wrong well finally when the clock said 8:00 I got up and got dressed and went to work and when I walked in, my boss asked me if I was supposed to come to work at noon and I said no and he said it was 11 O'Clock and I said it is not it's only 9 and some customers in the store said that it was 11 too. So you can imagine how I felt.

To-morrow I'm going to Oberlin. We are all going to have our Easter dinner to-gether. It's got a big ham and are going to ~~have~~ have sweet potatoes and salad and fresh asparagus and chocolate cake. Darling, I wish you could be there too. But then, I'm always wishing that you always make all my days complete. When you are near me it seems as though I have no troubles. you seem to take all the burden

off my shoulders. You are such a wonderful person to be married to. I shall be so happy when the time comes that we can spend all our days to-gether with no interruptions. How it that be a happy day for us, Darling?

I have ~~been~~ been getting letters from you every day. I can't understand why you didn't get any mail from me for two days. I don't like for that to happen. I want my boy to get all his mail on time.

Sweetheart, I guess the old Sandman has been visiting me and putting sand in my eyes. So maybe I had better say good night before I fall asleep on your letter.

Lots of hugs and kisses and all my love, yours and my sweet little graham cracker boy -

Yours Own,
Frank.
