To Whom It May Concern:

I have known David Temianka, and his family, for the better part of his life, some ten to twelve years.

I have had many opportunities to observe him in and out of the context of his family. I have found him to be a person of great vigor, good imagination, and a will that, when applied, can take him anywhere he wishes to go in the world. He is one of those rare young men you feel can name almost any reasonable goal and achieve it. It could be a matter of genetics - I feel pretty much that way about his entire family.

In sum - highest marks - highest recommendations from yours sincerely,

Ray Bradbury
