Nov. 30, 1944

In Belgium

Dearest Darling,

How's my little sweetie today? Fine I hope. I've gotten a flock of letters the last couple of days so I really feel in the know once again.

Where is the Elyria Engineering Co., honey? Is it a very large plant, and how do you like workingites? I suppose you'll be telling me all about your job in the next few letters so I'll cut out the questions for now.

One of your letters I received yesterday was postmarked Oct. 25. Sure took a while to catch up with me.

Everything is jake with me.

Of course I miss you more every day, but that will just make our reunion the sweeter when it comes.

How is my mail coming thru' to you, honey? You hadn't mentioned it in any of your letters. I hope you're getting them O.K.

We trucked in for showers today so I don't feel quite as heavy as I did before. The subjects a guy writes about.. As if a bath were something to write home about. Very interesting - this old Spana circuit.

Honey, I just happened to think of something. I asked in yesterday's letter for some cigarettes. Now I know they're hard to get so if you can't do any good on them see if you

-3-

can get some cigarette papers,  
and just stick them in a letter.  
I'll get some pipe tobacco thru'  
our P.X., and spin my own.

So long for now honey.  
all my love, and millions of  
Kisses.

Your own,  
Jack
