PRESENTS A

Showcase Recital

May 19, 2007

8:00 pm

Chapman University

Orange, California

To our new friends

What is the Orange County Guitar Circle all about? The Guitar Circle was founded in 1967 to celebrate and promote the music of the Spanish classical guitar in Orange County and surrounding communities.

We hold 9 recitals a year at Chapman University in Orange, one each month between September and June. In our Feature Recitals, we host accomplished performers from the Southland and from around the world. Our Showcase Series Recitals give local students of the guitar a place to perform for a knowledgeable and understanding audience.

We're a social organization, providing a relaxed atmosphere in which to enjoy fine music and the company of other music lovers. At our recitals, you'll meet players, teachers, students, and people who just like to listen. Our punch-and-cookies intermissions give everyone a chance to mingle, to laugh, and to learn.

What keeps us going? A love of the guitar, to be sure. But that doesn't pay the bills. Our members make it possible for us to continue and thrive. Members of the Guitar Circle are admitted to all 9 recitals free. Other membership benefits are announced throughout the season.

Membership is a bargain! For \$20, an individual can attend 9 recitals for the price of 3! For \$30, an entire family can share many evenings of fine music. Full-time students and senior citizens can take advantage of our \$15 Associate membership.

We hope you will join the Guitar Circle, and help us to bring the finest guitarists to the Orange County stage. But even more important, we hope you'll continue to attend our recitals. Either way or both ways, you'll be promoting music enjoyment (your own!)

If you would like to perform on a Showcase Recital, please contact Richard Glenn via e-mail at rbglenn41@aol.com.

Please...

If you are wearing a watch that beeps or chimes, we ask that you turn the chime off before the recital begins. We also request that you turn off your cell phones. *Thank you.*
