Darling Fink,

Please excuse me for not writing the past two weeks, but I thought things were going to happen faster than they have, and I'd beat any letters home, the way mail service is so screwed up.

It will be two weeks ~~Monday~~ since I transferred to this company. We are all processed, and ready to ship to the port as soon as we get orders. At any rate if you haven't already quit writing you may now. The days really drag sweetie, but I'm getting close to that boat ride I've been wanting for so long.

Darling I love you so very much, and I'm so impatient to be with you. It's a wonderful feeling to know that soon we'll be in each others arms, and all this separation will be just a memory. I've missed you so sweetheart.

Please excuse this shorty Bell letter honey, but I guess I've got the information in it we both wanted to hear, and I may beat this one home. I sure hope so.

I'm enclosing millions of hugs and kisses
and all my love.

Your own,
Jack
