Mr. and Mrs. Henri Temianka  
2915 Patricia Avenue  
Los Angeles, CA 90064

Dear Mr. and Mrs. Temianka:

Some months ago, I had dinner with Lars-Eric Lindblad, head of Lindblad Travel, widely considered the most imaginative and sophisticated tour company in the world today.

Lars casually mentioned that he was on the way to his thirtieth visit to the People's Republic of China at that moment.

Can you visualize the treasure trove of knowledge Lars accumulated in his travel experience? The wonderful stories, the encounters with most unusual people, Lars can share?

In fact, I remember sitting in the owner's cabin on board the Lindblad Explorer with Lars, passing across the Roaring Forties to Antarctica. It was my first visit. It was Lars' tenth journey to the Sixth Continent.

What has this got to do with you?

I would like to invite you to share an informal evening with Lars-Eric Lindblad as our guest. Lars will have the time, and the opportunity, to chat with all of us.

I have had that engaging experience. I can tell you that to meet Lars, and to talk with Lars, is an absolute, rare, treat.

Please let me know as soon as you reasonably can, whether you can join us.

Cordially,

  
Joseph A. Broger, CIC
