Darling Wife,

I'm still at this depot waiting to ship. I celebrated V-E day walking guard. I've just finished. Was there much of a celebration in the old town, Sweetie?

It's turned very warm here today. Days like this I always think how nice it would be to be driving around with my little honey.

They have some neat little motor bikes around here. They're built just like a bicycle except for the gas tank, and motor. Your A coupons would go a long way with one of those.

Darling, it seems like all I can think of to write lately is how much I love you. I hope you never tire of hearing me tell you that 'cause I'll never get tired of telling you that. You're such a precious sweetheart, and I hope it's not going to

be too long until I can tell you in person
and show you how very much you mean
to me.

Well, sweetie this isn't a very good
letter, but I'll try to do better tomorrow.
all my love to the dearest and sweetest
and best wife in all the world.

Your Own,
Jack
