Bob....

We appeal to each other on many levels - and maybe when we ask on behalf of civic affairs we respond one to the other more quickly than even on personal affairs.

So I feel free to ask some special consideration for the one-minute announcements sent you by Henri Temianka's California Chamber ensemble.

The season starts in a bare two weeks. It's exciting. Henri has planned a contemporizing program (imagine introducing Bill Cosby as a narrator); deserves a much broader audience.

Within your schedule I hope you can help promote this most deserving group.

And on an individual basis I urge you to attend; enjoy the charming mixture of the classic/contemporary.

Warmly,

Ralph Carson
