EDMUND G. BROWN
GOVERNOR
SACRAMENTO, CALIFORNIA

October 20, 1966

Mr. and Mrs. Henri Temianka
2915 Patricia Ave
Los Angeles 64, Calif.

Dear Mr. and Mrs. Temianka:

I wish I could talk personally to every resident of Los Angeles, but as a candidate for governor in a state of 19 million, it's just not possible. That's why I'm writing you instead - to ask you to weigh my experience against my opponent's inexperience and to give careful study to our public positions.

Frankly, I'm proud of our administration in Sacramento and its achievements in your community: the new Santa Monica and San Diego freeways - the Santa Monica Mountains Park - the continuing expansion of UCLA - our acquisition of new state beaches, and the California Water Project.

However, it's not what my administration has done in the past, but what it will do in the future, that is most important.

Positive and practical proposals for immediate property tax relief for you - development of new beaches and parks - stronger law enforcement - improvements in education - action to improve the economic well-being of all Californians... these are the goals I have set.

It is my hope, Mr. and Mrs. Temianka, that on election day you will decide that our present Democratic administration is best able to serve you, Los Angeles County and the future of our State.

Sincerely

EDMUND G. BROWN, Governor
