November 22, 1960

Dear Mrs. Thorsh:

I am writing a few friends who might be interested in attending what promises to be a memorable event on Saturday evening, December 10th at the Beverly Hills High School.

"Noah's Flood" is one of the most delightful short operas of this century. In the tradition of "Peter Grimes" and "Billy Budd", Mr. Britten easily maintains his reputation as England's foremost living composer.

I wish we had the Midas touch and could afford to send tickets to all our friends; but, in the absence of such endowments I hope you will, if you can, find time to attend and enjoy a rare cultural evening, on your own power. I am told the tickets are going fast, so if you can be with us, please order your seats espresso.

The vital statistics are enclosed.

Kindest regards,

Sincerely,

Jeff Chandler
Chairman
