October 21

Darling Lover,

I was thinking of my little sweetie, as I always am so I just thought I'd say hello*. No mail again today, but it will probably be getting back in the groove again shortly.

I got a nice present today. A new fellow just moved into the room day before yesterday, and I happened to mention something about wanting to get a good cigarette lighter. He says I have two so he gave me a nice little Evans lighter. It works just like a Ronson. You just press the top, and she lights every time. I've had a sore thumb ever since I got this Limey lighter.

October is almost gone, and am I glad to see the time moving along. The first thing you know darling this time is just going to creep up on us, and I'll be holding you in my arms, and we can start enjoying our good way of life together. I'm thankful that most of it is all behind us now, and we really have something to look forward to. Oh lover it's going to be paradise to be with you. I love you so, and miss you more every day. We'll have to spend the rest of our lives catching up on our love making, but I can't think of a sweeter way to spend my life than making love to you. You're such a sweetie, and every day I love you more. I'm such a lucky fellow to have you for my own precious wife. And how you're going to be loved darling. We'll play all those sweet little games we used to like follow the leader, and how I'm going to kiss all your sweet tantalizing dimples. You have so many darling dimples, and I'm going to kiss them all lover. And do you remember those little kissing contests we used to have where we'd see how long we could go without kissing each other. I don't think I could possibly hold out very long. I'll want to be kissing you all the time sweetie.

I'm enclosing millions of hugs and kisses and all my love.

Your own,

Jack
