Darling Lover,

Well, Baby Dear, another day has passed and its one day closer to that great one. I sure hope it wont be too long now. Every Saturday at 1:30 there is some fellow that comes on the air that tells where all the divisions are and when they are coming home and when to expect each point group. and he said that all men that were not in occupation forces would be home by the middle of January. Oh, Darling, I certainly hope he's right.

Sweetie, I looked all over for shorts and the only ones I could find are \$.95 and I figure that is a little too high for them so your mother said she would make some for you. And I believe they will be better than what you can buy now.

I didn't do much of any thing over the weekend. Sat. night I was over to Lena + Bens. There really wasn't much doing but I hate to stay home on Sat. I went over to your folks yesterday and it was such a beautiful day we went for a ride. maybe, Darling it wont be too long before we can go for rides together.

I'm always looking forward to those happy days. We will have such a wonderful time, no matter what we do, just as long as we can be to-gether. I love you so very much. and when I'm with you that's when I'm the happiest. I keep planning so many things that I wonder if we will be able to do all the things we have been looking forward to. I hope you don't

go back to work for a while.

This year for Christmas, instead of every one getting every body a gift we drew names. I drew Ben's name and I drew one for you, because your name is in the box, and you drew Jim's name. This is just for my family. you see, Our Christmas comes on the 29<sup>th</sup> Nov. I wish you could be here. We are all going over to Jim and Madalyn's for a little party.

Darling, you are such a dear sweet husband. I'm always so glad I have you for my very own. Your lips are so soft and sweet, I love to kiss you. I love to be held close in your arms. You are the most wonderful lover in the whole world.

I'm enclosing lots of hugs and kisses and all my love.

Your Own,

Frank
