Darling Fink,

Mail call treated me swell tonite honey. I got two letters from you. One written the 13th. and the other the nineteenth of November.

I sort of figured when I asked about shorts that they'd be pretty hard to get darling. Don't worry about it right now as this supply sergeant here is really a go getter, and right now I'm well set for shorts. If Mom has already made them it's fine tho' because that's something you can never have too many of. All the way thru' this company is like that, everything for the fellows. It sure is a lot nicer place than being in the 78th.

Darling I always try not to get too optimistic, but everything seems to be going along so good that I really believe we'll be together very soon. I'm quite sure I won't spend too much of the winter over here, but as long as I am here don't worry about me being cold. I just got another jacket today so here's the total. An O.D. mackinaw I had made from an overcoat, a regular mackinaw a field jacket, the new fur lined drivers jacket, and an ETO blouse.

We sent eight trucks to Paris this morning to pick up Christmas turkeys. This is really a peach of a company to be in for food. Besides the regular rations the mess sergeant draws the fellows are always bringing in extra boxes of steak, eggs and butter.

Baby Fink I love you so very much, and I'm just existing till that happy day when we can start to enjoy our good way of life together once more. Every day that passes I keep thinking - one day closer, one day closer. We're going to have a month's vacation, and just do as we please. If we feel like taking a trip, we'll go. Or if we just feel like staying home, and maybe going for a little ride every day, we'll do

that. Whatever we want we'll do. And will just be together all the time. Oh darling no matter what we do it's wonderful 'cause we're together. You're such a sweet lover girl it's paradise being with you. I love every thing about you sweetheart. Your sweet tender lips, your cheeks like little petals (not bicycle, darling I mean rose petals. Your eyes are so beautiful sweetie. I love your sweet little hand in mine, and I love it when you unexpectedly kiss me on the cheek. Darling I even love your cold little feet on the backs of my legs. I'm such a lucky fellow to have you for my own dear sweet wife.

I'm enclosing millions of hugs and kisses and all my love.

Your own,
Jack
