Darling Lover,

Feb 16.

It's Saturday afternoon and it's a beautiful day. Just the kind you and I would like to go for a long drive. Perhaps even go away for the weekend, those are the days I'm waiting for.

I got two letters from you this morning. They were dated Feb 4 and the 7th. Good, money, from the looks of it, I'll bet it will be April before you will come home. But no matter when it is, Darling, it will be the happiest day in my life.

I went out with the girls last night. It was a very quiet night around. ~~It~~ was very cold out last night. That seems very strange. It was so cold out yesterday and to-day it's real warm.

To-night I'm supposed to go into Cleveland with Ida. Her brother Sam is having a party and they invited me.

I had to bring my car into Lorain to-day. It seems as though the battery is draining awful fast so I brought it in for a check up. Also I think the muffler is shot. That darn ^{car} runs me into more money. I could buy a whole new outfit. Every time I think I have a pay to myself then something happens to the car.

Right now, I'm sitting in Ida's office, writing to you. I'm waiting for my car and this is the most convenient place to come. It's just like a mad house.

Oh, Baby, I miss you so very much, I'm always wishing I were going places with you. It certainly will be wonderful to go shopping with you. You'll buy every thing you have ever wanted. You'll be the best dressed man in Lorain County. I love you so very much, Darling, you are the most wonderful husband in all the world and I guess I'm extra lucky to have you for my own husband.

I can think of all the wonderful times we have had to-gether, and then I can think of the wonderful times we are going to have. Just being with you will be the ~~far~~ best part of all. I'm always so proud of you. you look so nice.

I love you so much, Darling, I can never think of how to tell you I love you. you can write such wonderful letters I always feel ashamed of my self for the stinky letters I write. all I can think of is that I love you, adore you and miss you so terribly. Every day I miss you more and more. Oh, Sweetheart, when I see you I'm going to walk into your arms and never come out. I have such a wonderful husband, it's no wonder I love him so much.

Well, Sweetheart, I guess I have to be going so I'll close with lots of hugs and kisses and all my love.

your Own,
Frank
