Dear Mr. Temianka:

Thank you very much for your book "Facing the Music (An Irreverent Close-Up of the Real Concert World)" which I have received, and have read with much enjoyment. It sounds like you -- humorous, witty and yet kind and perceptive -- and it is a book I shall re-read whenever I feel that I want to have a visit with a great musician as well as a great human being.

It was a pleasure to have met you and the members of your group, and I am glad to know that you like our people as much as they like you.

I am now getting out an album of a collection of Chinese floral paintings I have done, and when it comes off the press, I shall send a copy to you.

Meanwhile my best wishes for a joyous Christmas Season,

Yours cordially,

Madame Chiang Kai-shek
