My dear Mr. Temianka:

Thank you very much for your kind message of sympathy. I appreciate it deeply.

The tremendous outpouring of the multitudes of our people during the funeral procession and their unrestrained lamentation even converted a part of my ineffable grief into empathy for their sorrow. The President had given his all to the cause of freedom for our people, and even his passing away was not something passive, because in mourning him the people have felt such a powerful surge of unity and purposefulness that they re-dedicated themselves to the finishing of his crusade.

I am saying this in response to the words of high esteem you expressed for him for which I want to add my thanks.

With best wishes,

*Yours cordially
Chang Kai-shek*
