Mr. Roger Clark,  
California Chamber Symphony Society, Inc.  
6380 Wilshire Blvd.,  
Los Angeles,  
CA 90048.

Dear Roger:

Things are flying all around us as we continue to expend the energies to develop our project, and such excitement it all is as we button up details.

Don't have the time to create for you a recent Starquest financial outlook. Have, enclosed, however, our six month statement, April 30, for your interest. We're not on a calendar year/fiscal year, Starquest is Oct. to Oct.

Have almost completed budgetary calculations and need to know soonest possible regarding money allowances for Henri and the Society.

I know the meeting with the Board is Thursday night and can hold my budget horses till Friday. Reason I'm back-to-the-wall on this budget thing is so I can get the money snowball rolling; can't really do that till I get a reasonable fix on what this whole thing is going to cost. Quicker I know the quicker I can get long green laid out for the participants; which is always uppermost on all minds during this initial and very fluid state of program development.

I appreciate your consideration, your support, and your assistance in all the ways you've been helpful during the past couple of weeks. Many thanks!

Sincerely,

Fred G. Thorne.
