Dear Henri:

Thanks for your August 4th letter outlining the suggested schedule for next summer in Banff. Most of the items you listed are satisfactory.

However, I no longer give lectures, and therefore the August 15th suggestion isn't good from my standpoint. Perhaps some form of symposium can be arranged with others from the faculty or invited guests.

In relation to the CBC making a documentary during my visit, I think you should ask them, when the time is appropriate, to write me directly as to what they have in mind. I myself am concerned as to the quality of the performances we will get in view of the fact that we are dealing with students and young professionals. In my mind, they might turn out to be great, but I do not wish to commit myself in advance to making available to CBC whatever musical events we give without a previous o.k. from me as to the quality of the performance.

Friendly greetings,

Mr. Henri Temianka
